

## WBC Map Exercises

Identify the following:

1. Highest point on the map.
2. Lowest point on the map.
3. What is the highest elevation of Malibu Creek?
4. What are the lowest and highest points on each of the hikes?
5. What is the largest elevation gain and loss on each of the hikes?
6. You're at the campsite and want to walk to the visitor's center. Can you easily take a straight line route to get there? If not, what route would you take?
